

## ***Arklow Lawn Tennis Club***

### **Safeguarding Policy**

This policy applies to all those involved in Arklow Lawn Tennis Club including, but not limited to, coaches, administrations, officials, volunteers, members, parents and young people.

#### **Safeguarding Policy Statement**

Arklow Lawn Tennis Club is fully committed to safeguarding the well-being of its members. Every individual in the organisation should at all times show respect and understanding for their rights, safety and welfare, and conduct themselves in a way that reflects the principles of Arklow Lawn Tennis Club and the guidelines contained in the Club's Safeguarding Statement.

#### **Safeguarding or Child Protection**

The term child protection has been expanded to safeguarding as it reflects the wider responsibility for Health and Safety and prevention as well as just protection from abuse. The word safeguarding has been used with increasing frequency over the last few years in a wide range of setting and situations, going well beyond the world of children and child protection. It may be defined as 'Doing everything possible to minimise the risk of harm to children and young people'.

Safeguarding is about being proactive and putting measures in place in advance of any contact with children to ensure that children are going to be kept safe and this is what Tennis Ireland and Arklow Lawn Tennis Club wish to have in place. This includes:

- Ensuring staff/volunteers are properly checked when they are recruited.
- Guidelines for people who come into contact with children as part of their role to ensure they know what they need to do to keep children safe.
- Guidelines for planning an event or activity with children and putting measures in place to minimise the risk of safeguarding issues occurring.

#### **Code of Conducts**

Arklow Lawn Tennis Club supports the view that all children's sport should be conducted in an atmosphere of fair play. In this context we undertake to adopt the definition of fair play as set out in the European Sports Charter and Code of Ethics, Council of Europe (1993).

'Fair play is much more than playing within the rules. It incorporates the concepts of friendship, respect for others and always playing within the right spirit. Fair play defined as a way of thinking not just a way of behaving. It incorporates issues concerned with the gamesmanship, elimination of cheating, doping, violence (both physical and verbal), exploitation, unequal opportunities, excessive commercialism and corruption'.

In order to promote the best practice in children's sport, Arklow Lawn Tennis Club has adopted and implemented the guidelines as set out in Section 2.7 of the Code of Ethics and Good Practice for Children's Sport as follows:

In order to ensure best practice throughout the club, the Committee disseminates its code of conducts, including the disciplinary, complaints and appeals procedures in operation within the club to all its members. Arklow Lawn Tennis Club code of conducts is posted prominently on the Organisation's Website and around their premises. We require all coaches with a Tennis Ireland coaching award to have signed our Code of Conduct.

### **Safe Recruitment**

Arklow Lawn Tennis Club has adopted and consistently applies a safe and clearly defined method of recruiting and selecting Volunteers, Officials, Coaches and any other Employees or Contractors who have contact with children.

### **Reporting Procedures**

Arklow Lawn Tennis Club has a Children's Officer and a Provincial Children's Officers appointed by Tennis Ireland.

National Children's Officer: Roger Geraghty, email: [roger.geraghty@tennisireland.ie](mailto:roger.geraghty@tennisireland.ie), mobile: 087 2316478

Leinster Children's Officer: Rory Wilson, email: [rwilson@iol.ie](mailto:rwilson@iol.ie), mobile: 087 6776142

Procedures have been put in place for dealing with a concern or complaint made to the Statutory Authorities against a Volunteer of Sport Leader. A sports leader who is the subject of an allegation which has been reported to the Statutory Authorities, shall stand aside while the matter is being examined. He/she will be invited to resume full duties following consultation and advice from statutory service and an internal Tennis Ireland assessment to ensure that there is no risk to our members.

### **Monitoring**

All groups in charge of Arklow Lawn Tennis Club's children's activities are required to report to the committee on a regular basis. Arklow Lawn Tennis Club encourages regular turnover of committee membership while ensuring continuity and experience.

## **Training**

Arklow Lawn Tennis Club committed to ensuring the Sports Leaders are competent to provide safe and rewarding experiences for those in their care and that Sport Leaders are provided with the appropriate training for their activity. They are required to attend safeguarding workshops as part of their coach education and licensing and ensure their knowledge is updated.

## **Equality Statement**

All children should be valued and treated in an equitable and fair manner regardless of ability, age, sex, religion, social and ethnic background or political persuasion. Children, irrespective of ability or disability should be involved in sports activities in an integrated and inclusive way, whenever possible, thus allowing them to participate to their full potential alongside other children. Arklow Lawn Tennis Club recognises the additional vulnerability of some children and the extra difficulties they may face when seeking help, i.e.

- The increased likelihood of social isolation.
- Having fewer contacts to disclose to than non-disabled children.
- A dependency on others for practical assistance in daily living, including intimate care.
- An impaired capacity to resist, avoid or understand abuse.
- Their speech and language communication needs may make it difficult to tell others what is happening.
- Their particular vulnerability to bullying.
- Being viewed as a 'safe target' for abusers.
- Their relative powerlessness physically, psychologically and socially and the opportunities this presents for grooming by potential abusers.
- A reluctance to challenge carers who may often be viewed as valiantly coping with the burden of a disabled child and therefore not considered as potential risks.
- The denial of the possibility of disabled children.
- Disabled children being less likely to be heard or listened to.

To address this vulnerability coaches are encouraged to seek guidance on working with children with a disability from external agencies, parents/guardians and the children themselves.

## **Confidentiality Statement**

Tennis Ireland recognises that the legal principle that the welfare of the child is paramount means that consideration of confidentiality should not be allowed to override the right of children to be protected from harm.

Everyone in our organisation, including children must be aware that they can never promise to keep secrets. Information, however, of a confidential nature will only be communicated on a 'need to know' basis.

Arklow Lawn Tennis Club is committed to continual monitoring and development of this Safeguarding Policy in the light of changing circumstances. All coaches, volunteers and Sports Leaders will be required to read and sign the appropriate Code of Conducts contained in the Child Protection Policies of the Arklow Lawn Tennis Club.
